PARTNER JOURNEY

PARTNER LEVELS

The program enables three levels of technical, sales, and go-to-market execution, with a focus on mutual collaboration, scaling up, and serving your customers better.

ECOSYSTEM TECHNOLOGY PARTNERS	FOCUS TECHNOLOGY PARTNERS	STRATEGIC TECHNOLOGY PARTNERS
ENTRY LEVEL This level is intended for those starting their relationship with Zscaler. At this level, Partners have access to sales and marketing tools.	BUSINESS DRIVERS Partners in this level have a growing track record of driving business together with Zscaler. In addition to the standard benefits, Partners in this level enjoy additional marketing and sales benefits.	IMPACT MAKERS Organizations at this invite-only level have made a significant impact in driving customer engagements with Zscaler. Partners in this tier receive our priority on new solution development and will enjoy the deepest GTM benefits.

OUR PARTNERS & CUSTOMERS SAY...

I don't think there is anyone else in the industry that's done as deep an integration as the two of us have.

— SCOTT GUTHRIE, EVP CLOUD & ENTERPRISE GROUP, MICROSOFT

Zscaler and CrowdStrike's partnership is super exciting. Both have taken the proactive step to understand how the technologies complement each other so that I don't have to do that on my own.

— NICOLE DARDEN FORD, CISO, CARRIER
